Your wedding breakfast (called that as it is your first meal as a married couple) plays a very important part in your day and our Head Chef and his team take great pride in ensuring that the dishes are freshly prepared and presented to the highest possible standard. For your wedding breakfast, please select one starter, one main course and one dessert from any of the packages available.

Our menus combine freshly made dishes, with your favourites included to make your wedding planning easy. All prices are inclusive of V.A.T at the prevailing rate.

HOW TO *book*

Find your venue (hopefully that's us).

Confirm availability with either your Church or registrars and hold the date.

Let us know your preferred date and pay your £500 deposit. This is non refundable, but we hold your chosen room for 2 weeks to make sure you have everything in order.

We send you a draft contract based on your numbers of guests and initial thoughts on menus and packages.

Let us know of any changes and tweaks, and make sure you are comfortable with the finances as this forms the minimum contracted value. You sign and then we return a copy to you.

Depending on how long it is until your special day your next step is likely to be when we meet for you to taste your shortlist of dishes, and to chat about any other queries

At 6 months out from your big day we will need you to settle 50% of your final bill, and then your final payment is due when you meet a month before your big day to finalise numbers and all the fiddly bits! You will meet your master of ceremonies at this point too, so that the handover from Coordinator to them starts.

Following this meeting we send your final function sheet for you to check we have noted all your details down just so.

Then just arrive and enjoy!

Multicultural WEDDINGS

We know that everyone wants something different for their special day. If you have used a caterer before for family parties or just prefer a style of cuisine we can't match we can offer packages to include room hire; tables & chairs; white table linen; crockery, cutlery and glassware.

We even include corkage so that you can choose which drinks you would like to serve. We don't routinely include waiting or bar staff as external caterers

often prefer to bring their own teams but we can of course quote for this element also. We do include a duty manager and kitchen porter to support the external team.

Our Aylesford Suite is best suited for larger numbers and offers its own entrance, bar and even a prep kitchen.

WE LOOK FORWARD TO WELCOMING
YOU AND TO MAKING YOUR DAY
happy and memorable.
